Naval Weapons Station Yorktown, Yorktown, Virginia

Dear Mrs. Norton:

In accordance with the above-referenced CTO, Baker Environmental, Inc. (Baker) is pleased to provide four copies of the Draft Site Management Plan for Fiscal Years 1995-1996 for the Naval Weapons Station Yorktown, Yorktown, Virginia (WPNSTA Yorktown) for your review and comment. Please note that two copies have been sent to WPNSTA Yorktown, four copies have been sent to the U.S. Environmental Protection Agency (USEPA) Region III, and two copies have been sent to the Virginia Department of Environmental Quality (VDEQ). In addition, one copy has been sent to each member of the Technical Review Committee (TRC). Enclosed is a copy of the letter sent to the TRC members and the TRC member list.

Please note that due to the recent implementation of the Navy-wide site ranking system, the back-up calculations for Appendix A are not available at this time. However, Appendix A will be provided under separate cover during the early part of the review cycle.

In order to meet the schedule outlined in CTO 229, compiled comments from you, WPNSTA Yorktown, USEPA, and VDEQ will be due to Baker by August 15, 1994.

Should you have any comments or questions, please do not hesitate to contact me at (412) 269-2059.

Sincerely,

BAKER ENVIRONMENTAL, INC.
